2.1 Snapshot
Dataset Title
Ecartico
Version
1.0
Description
ECARTICO is a comprehensive collection of structured biographical data concerning painters, engravers, printers, book sellers, gold- and silversmiths and others involved in the ‘cultural industries’ of the Low Countries in the sixteenth and seventeenth centuries. For this database primary archival sources and secondary professional literature were used.

  - Atypical Example
    - Description

Always use Gregorian calendar, where in some cases sources are using Julian calendar. E.g. Lambert Jacobsz. died 27-6-1636 in Leeuwarden. At that time the Frisians still used the Julian calander.

3.6 Annotation and Labeling

Annotation Characteristics

annotationWorkforceType

Human Annotations (Expert, Employees)

3.7 Social Impact, Sensitivity, and Biases

Safety Consideration

Does the resource contain data that, if viewed directly, might be offensive, insulting, threatening, or might otherwise cause anxiety?

No

Confidentiality

confidentialityBin

No

biases

Known Biases in the Resource

*underrepresentation of women

*underrepresentation of non-Western people, as the focus is on the Low Countries in the sixteenth and seventeenth centuries

- Steps taken to Mitigate/Reduce Biases
  - *since 2017 more women were added, e.g. spouses + mothers
